Available May 2015

An indispensable collection of state-of-the-art work
in oral history by Canadian scholars.

Despite a long and rich tradition of oral history research, few are aware of the innovative and groundbreaking work of oral historians in Canada. For this first primer on the practices within the discipline, the editors of *The Canadian Oral History Reader* have gathered some of the best contributions from a diverse field.

Essays survey and explore fundamental and often thorny aspects in oral history methodology, interpretation, preservation and presentation, and advocacy. In plain language, they explain how to conduct research with indigenous communities,

navigate difficult relationships with informants, and negotiate issues of copyright, slander, and libel. The authors ask how people's memories and stories can be used as historical evidence - and whether it is ethical to use them at all. Their detailed and compelling case studies draw readers into the thrills and predicaments of recording people's most intimate experiences, and refashioning them in transcripts and academic analyses. They also consider how to best present and preserve this invaluable archive of Canadian memories.

The Canadian Oral History Reader provides a rich resource for community and university researchers, undergraduate and graduate students, and independent scholars and documentarians, and serves as a springboard and reference point for global discussions about Canadian contributions to the international practice of oral history.

"The editors have selected articles that successfully provide a starting point for a meaningful discussion not only about oral history in Canada but they also offer an opportunity for a more global dialogue with others in the international field."

James Morrison, Saint Mary's University

Kristina R. Llewellyn is associate professor of social development studies at Renison University College, University of Waterloo and author of *Democracy's Angels: The Work of Women Teachers*.

Alexander Freund is professor of history and co-director of the Oral History Centre at the University of Winnipeg.

Nolan Reilly is professor of history and co-director of the Oral History Centre at the University of Winnipeg.
