Join history teachers, curriculum leaders, and museum educators from across Canada in beautiful Vancouver!

This exciting institute will take you on an exploration of historical thinking, while examining the themes of immigration and aboriginality. As well, we will look at the broader substantive theme of cultural exchange across borders.

Plenary lectures will be presented by Dr. Peter Seixas and distinguished guests. Field trips will enhance the work conducted during the in-class portion of the institute.

**A number of bursaries will be provided by our partner,
The History Education Network / Histoire et Éducation en Réseau.**
