A Walking Tour of Stanley Park

Join us for a walking tour of Stanley Park with historical interpreter Jolene Cumming, founder of the Stanley Park History Group. The tour will include showing historical photographs of the sites we will visit in the park.

Itinerary:

- **Meet at the city bus loop in the park (near the Miniature Railway);**
- **Walk towards Coal Harbour;**
- **Take the seawall to Brockton Point where we will have a break with light refreshments;**
- **Back along the Burrard Inlet side, across Lumberman's Arch/Whoi Whoi;**
- **Return to the bus loop.**

This is a free event for educators in schools, museums, and heritage programs, as well as the general public. Participants will be provided with a package of materials for lesson and program planning.

Please join us! Everyone is welcome! Rain or shine!
